

## Telephone Consumer Protection Act Agreement

### AGREEMENT TO CONSENT TO THE TELEPHONE CONSUMER PROTECTION ACT

#### Your Consent To Contact Telephone, Text, or Email

To facilitate your loan process, Lendage would like to contact you by telephone, text, or email. If you authorize the telecommunications consent, you agree that Lendage may contact you by telephone, even if your telephone number is listed on the Federal Do Not Call list. You also agree to be contacted by Lendage at any electronic address, and at any telephone number, that you provide Lendage now or in the future. These contacts could include calls, text, or SMS messages to cellular and wireless telephone numbers, which could result in charges to you. The manner in which these calls or text messages are made to you might include the use of pre-recorded / artificial voice messages and/or an automatic telephone dialing system. If you sign this telecommunications consent, you also agree that Lendage may send emails to you at any email address you provide it or use other electronic means of communication to the extent permitted by law.

You may revoke your consent at any time. You are not required to give your consent, and you may obtain a loan from Lendage even if you do not consent.
